The diagram shows a 10-bit shift register with inputs on the left and outputs on the right. The outputs are labeled 0 through 9. There are two feedback loops: one from output 3 to input 2, and another from output 8 to input 3. The inputs are labeled 2, 3, 5, and 3 from left to right. The outputs are labeled 0, 3, 8, 8, 9, 10, 10, 8 from top to bottom. The feedback loops are indicated by arrows labeled 'R'.
